#### Cerebral Palsy of Nassau County Edition

#### Fourteenth Annual Benefit

Only rarely does the music world produce entertainers whose music lives through the years. The legacy of Frankie Valli and the Four Seasons has done just that. Whether you lived through the sixties or not, the songs produced by this amazing group of musicians still resonate.

This year, The Nassau Pops Symphony Orchestra is proud to present its Fourteenth Annual Gala Benefit for Cerebral Palsy of Nassau County with special guests from America's #1 Frankie Valli and the Four Seasons Tribute Show, *Let's Hang On*. Together with the sixty members of The Nassau Pops, many of the songs you have come to know and love will be recreated by these "boys from Jersey!" Our concert is scheduled for 3 PM on Sunday, October 14 at the Tilles Center for the Performing Arts on the C.W. Post campus in Brookville, New York. What makes our concert even more special is that every dollar from every ticket sold is donated directly to *cpnassau*. You, our audience members, not only get a great afternoon of entertainment but also receive the satisfaction of helping a charity that provides the necessary services for such a deserving segment of our community.

Founded in 1948, *cpnassau* operates a comprehensive treatment and rehabilitation center in Roosevelt, NY that has earned international recognition for innovative and high quality programs. The center is a total therapeutic community that meets the needs of individuals from birth through their senior years. On-site services are provided for people with a broad range of mild to severe developmental disabilities by a highly trained, experienced staff. Everything from rehabilitation to recreational therapy, education to employment and specialized primary medical care is available at this private fifteen-acre campus

Our concert would not be complete without *cpnassau*'s popular singing group, Creation. They will again take center stage for several numbers that will surely bring the house down. You can be sure to count on some other surprises as well.

NEFCU, a leading credit union that has been serving the banking needs of Long Island for nearly seventy-five years, is the title sponsor of this year's concert benefiting *cpnassau*. NEFCU is very much aligned with The Nassau Pops in their mission to enrich the communities and lives of the neighbors they serve. The partnership we have fostered affords us the ability to donate every dollar raised from ticket sales to support this worthwhile organization. NEFCU is headquartered in Westbury, NY and has branches and a shared branch network throughout Nassau and Suffolk Counties.

For tickets to our Fourteenth Annual Benefit for *cpnassau* on Sunday, October 14th, please refer to the seating chart on our page three order form for your ticket requirements. We will always do our best to accommodate your seating request, and will send you the best seats available in your area of choice. If you prefer to order by credit card, you may do so by visiting our website, [www.nassauopops.com](http://www.nassauopops.com). Please allow up to fourteen days for receipt of your tickets.

While honoring the classic "Seasons" hits, *Let's Hang On* also pays homage to the Broadway show Jersey Boys. *Let's Hang On* captures the trademark vocal virtuosity, tight harmonies and crisp choreography that made The Four Seasons one of the greatest vocal groups of all time. Their stage show includes mega hits like Sherry, Big Girls Don't Cry, Walk Like A Man, Can't Take My Eyes Off Of You, December '63, Who Loves You, and many more of the hits that made the 60's unforgettable - presented in a high-energy and polished production. If you liked Jersey Boys, you'll love *Let's Hang On*!

Discover how four New Jersey boys from the wrong side of the tracks invented their own sound, wrote their own songs, and became one of the biggest pop sensations of all time. The story...the music...the sound...
